OUR SERVICES

HOUSEHOLD SHIFTING SERVICE

We can efficiently pack and move you're big and small, most fragile household items with extreme care. Being spread countrywide we offer high standard personalized door to door Household Shifting Services in India. Every aspect of household relocation services is well taken care by our experts. Whether its movement of complete household, or just 'Big Bulky Materilas' or even a single carton box, we take all the precautions to ensure care and safety of the material during packing, handling and transportation and deliver the material in the same condition as if had left the starting place.

COMMERCIAL SHIFTING SERVICES

At **MAXX RELOCATION**, we strive hard to offer fast and reliable commercial Shifting not only for a smooth transit but to also ensure that it is perfect to combat any unexpected danger during the transit. Our expert team packs your personal belongings as per the nature of the product with the help of our Professional Packing Experts. We have specially-trained pack-and-load technicians who employ proven packing techniques to ensure safe, on-time and on-budget delivery. Our Drivers are throughly trained and vehicles are specially designed and equipped to accommodate the safe transportation of industrial goods.

WAREHOUSING SERVICE

Our clients can avail our efficient warehousing services all over India to store their goods for a span of time. Our spacious warehouses are equipped with modern equipments and modern facilities for storing goods for a specified time frame. Warehouses are well equipped; hygienic and well marked for inspection even by our clients. Goods stored are palletized to keep them secure and separate from one another. Our warehouses are set with round the clock security by way of motion sensing and close watch cameras. We provide all necessary support required for clients to reduce overheads, increase efficiency and cut down valuable management time.

PACKING AND UNPACKING SERVICES

We offer efficient goods packing services to ensure a damage free move, We use specialist packing materials to give you the highest level of protection with your move. We offer quality-packing services with the use of boxes, special cartons, metal or wooden drums, pallets, insert plates as per the requirement of packaging of goods. We unpack goods with same care as we do while packing once they reach their destination. We provide prompt and quick unpacking services so that you can get back to a normal routine as soon as possible. Our unpacking Services take the stress out of moving.

LOADING AND UNLOADING SERVICES

Safely packed goods are loaded in trucks, trailers and other heavy and light duty vehicles for safest transportation. Whether it is household goods loading, industrial goods loading or loading of cargo for shipment, we take utmost care while stacking of goods and moving heavy and light cartons. As the loading part is important, Unloading also needs to be done by professionals to prevent last minute damages. You an avail our professional household goods loading, industrial goods loading services at most competitive rates ensuring complete safety of goods during transition. Once goods reach their destination safety, our team unloads them ensuring Safety from scratches and damages.

CAR TRANSPORTATION SERVICES

Our Car transportation services enables our clients to safety transfer their most prized possession over long and short distances with utmost safety. Our Car shifting services includes, not only transferring cars but moving all sorts of vehicles from on place to another. Our energetic and qualified team takes all necessary measures to safeguard your vehicle from all big or small hassles while loading as well as in transit. We acquire not only a fleet of well maintained covered trailers, hydraulic elevators, canters and containerized trucks but also well trained and reliable drivers to ensure quick, secure and prompt deliveries of one's vehicle. Further, our on-line vehicle tracing system can trace your vehicle at any given point of time. We take every care to ensure that your card doesn't get off until is safety reaches its destination.
